PEO Application Form

(Please Print or Type)

Become a **Precinct Election Official** in Fairfield County. Get a front row seat on Election Day by staffing a polling location! Be caught up in the excitement of being a part of your Country, State and Local Community! Plus earn some extra spending money in the process!

Who's a PEO?

A Precinct Election Official is a registered voter who's appointed by the Board of Elections to work in one of the precincts in Fairfield County on Election Day. You need to declare your party so the BOE can pair you with workers of the opposite party. Even if you have no party affiliation you may still be eligible to work.

All new PEO's are required to attend a training class. Good preparation is the key to a smooth running election day. The good thing is, you get paid for attending training too. The current amount paid by Fairfield County for an Election Day Judge (PEO) is \$121.68 plus the additional pay for the training class.

What are the Hours?

As a PEO you must report to your assigned polling location by 5am on Election Day. The polls open at 6:30am and close at 7:30pm where you'll then begin the closing procedures. Your Presiding Judge will determine when you are finished for the day.
